

PREMIUM IRANIAN SUPER NEGIN SAFFRON

Bulk Export Supply – Dubai Distribution Hub

STARS LEGACY LLC operates as a Dubai-based bulk saffron export supplier, serving international importers and distribution networks.

Saffron is procured directly at origin through established supplier networks in Iran.

Pre-export grading, sorting, and quality selection are performed by qualified processing specialists to maintain filament integrity and consistent export standards.

All shipments are subject to quality verification aligned with ISO 3632 parameters before export.

Export Advantages

- Bulk export hub in Dubai
- Flexible Incoterms (EXW / FCA / FOB / CIF)
